

REMARKS

Claim 1 has been amended to positively recite the mounting means to thereby answer the objection to claim 8 under 35 U.S.C. 112, second paragraph. The reference to mounting means in claim 8 is now proper.

A Terminal Disclaimer is attached in response to Examiner's rejection of the claims based on the judicially created doctrine of double patenting.

Examiner is respectfully requested to now pass this application to allowance.

Respectfully submitted,  
PACIFIC SAFETY PRODUCTS INC.
